

# NON FINANCIAL REASONS TO MOVE TO CYPRUS!

*Most people want to come to Cyprus for setting up a business and that is what your average accountant will tell you! Using a non-financial approach, we will give you at least ten good reasons why Cyprus is the best place to be for pleasure!*

1. Outstanding Weather: The sub-tropical Mediterranean climate of Cyprus is ideal for anyone who wants to get away from the cold. The sizzling summer is compensated by a large variety of beautiful beaches. As a result, people are warm and friendly and the food is exceptional both in variety and also in quantity. There are officially an average of 328 days of sunshine a year in Cyprus, and mild winters making this a suitable destination for people with breathing difficulties and Arthritis giving them extended quality of life. This is also backed up by a top rated health system.
2. Stunning Scenery, beautiful clean beaches and brilliant golf courses give way not only for enjoyable breaks but also for developing long-lasting partnerships with clients through sports and team building activities. Overseas companies regularly arrange incentive trips to Cyprus for workshops and team-building.
3. As a result of the small country's strategic position, Cyprus has also developed a great cultural heritage which offers much in terms of cultural and scenic entertainment.
4. Cyprus is a destination which greatly covers the demand for professional service in terms of tax, banking and finance to local and international businesses that choose to expand and grow their activity.
5. EU retirees are eligible for medical treatment at no cost. EU citizens from other countries who contributed to another EU country's social security scheme for at least two years are eligible for coverage in Cyprus.
6. The country has a modern road network, extensive port facilities and two international airports. Travel and transport in Cyprus and internationally between the country and other countries is fast, efficient and economical.
7. Cyprus enjoys some of the lowest rates of theft and crime in Europe and functions under the common law system. This system is not only more transparent to many businesses and managers who choose Cyprus as their destination for trade but it also offers advantages for the structuring of trust organizations through nominees.
8. Cyprus has been voted the most popular destination in the world to buy property and invest in properties.
9. The people in Cyprus are friendly, family orientated and the atmosphere to be laid back and peaceful. The schools are of a very high standard and the weather plays a huge part in a healthy lifestyle.
10. Cyprus has produced some of the finest property investment portfolios in the world in recent times. These include, luxury property, golf villas, apartments and beach front property!
